# Shooting School & CHL Classes

**Every Second Counts**

## Texas CHL Classes

The Badlands Bar 3 Range offers Texas Concealed Handgun License (CHL) classes. All classes will be taught by a DPS-certified instructor. The class includes instruction, notary, and passport photos.

**Note:** Texas will require a digital fingerprint after March 1, 2011. More details will be provided if you register for a new Texas CHL.

A new Texas CHL permit requires completion of a 10-hour training course, qualifying with a handgun (revolver or semi-automatic) at the range and passing a 50 question test. You need a basic knowledge of your handgun to qualify, shooting center of mass a total of 50 rounds from 9 feet, 21 feet, and 45 feet.

The licensee must recertify with the State every 5 years. We offer the required recertification classes.

Texas CHLs are recognized by 41 other states (30 reciprocal and 11 unilateral). Visit the state web site at [www.txdps.state.tx.us](http://www.txdps.state.tx.us) for additional details.
