♪♪Looks like we made it♪♪ and ♪♪what a wonderful world it would be♪♪ if we could make it through December♪♪...”2019”, that is. 2018 was such a great year of shooting competitions all around the world. We are all extremely lucky to have an organization like SASS, to bring us together and do what we love. I believe 2019 will be the best year of Cowboy Action shooting, yet and want to say, thank you.

We have been working on the Bar 3 Range throughout the winter to make a better shooting venue for you despite the 30 inches of rain we've received since October 1<sup>st</sup>. Mike from the Butcher's Block is on board for the Comin' at Cha, 2019 and he's still getting the black land mud off everything but assures me he'll bring it back in September.

We'll be sounding off that cannon every hour of main match again this year at Comin' at Cha. So far, we have 20 firearms set aside. That's right, we'll give away Savage, Delton, Ruger, Marlin, Hatfield, and Chiappa firearms. If you have any questions about shooting, the food, the range, or camping, please call me at 903-272-9283.

We are thinking about adding a few more Senior Plus categories for the match. All categories must have a minimum of 3 shooters in order to receive a champion buckle. All buckles and categories will be final June 1<sup>st</sup>. We'll need time to get the world's largest category buckles ordered, completed, and delivered.
