

**COMIN' AT CHA, 2019**  
**September 25– 29, 2019**

**\*\*\*News Flash\*\*\***  
**05/13/2019**

We made it through the Fall, Winter, and Spring storms and it seems like it has rained since last year's Comin' a Cha. Now it's time for some shooting! Great things have been happening at the Bar 3 Range. In the last couple of months, the Good Lord has blessed us with over 30 inches of rain. We have all managed to recover and undaunted, we pressed on.

Ellie and I traveled to Northern Kentucky to tour the Creation Museum and The Ark Encounter last month. Wow, what an adventure! Y'all need to put it on your bucket list. It is worth the trip!

Our annual workday turned into a swimming party with everyone in attendance. We were either wet from rain rage or just slipping around on the slick black land mud. Anyway, the workday ended up a huge success with over 10 helpers and 4 lead Journeymen. We now have all, but 2 targets repaired. Thanks to the welding crew. We also have 4 new shower houses – complete with doors! I would like to thank Sassy Boots for painting, Reckon and Bellkaye for plumbing, Nuttin and Cbeaux for electrical, and the M & M Construction (that's Marshal Jack Bridges and Mace Bishop) for their carpentry skills. The new bathhouse is in Town right across from stage 3. We've also put 500 tons of rock on the out of town parking lot and Juan TuMany will be in the parking lot, making sure all of the campers fit again this year.

We want your time spent with us at the Bar 3 to be the best event of the year, except for your club's home range. You do have a choice and we are humbled when you choose to shoot with us.

See ya in the Badlands,

T-Bone and Ellie
