This year's match has incorporated many new twists to the game of CAS. Upon arriving at the Bar 3, you will see a large white barn. Please enter the Little Rascal's clubhouse and sign up for the match. When we get all the business out of the way, the fun can begin.

First off, after the main match sign up, ask to register for the motorized mounted shooting event that occurs on Thursday night. There is a \$5 charge per run and a 2 run per shooter limit.

Now, return to your camper and put on your Bar 3 T-shirt and hat and let's have some fun. Now, late September weather can be unpredictable. We never know what Texas will throw at us. Be ready for all types of weather.

I'm so excited, I can't wait! This week, we're headed to Kentucky for Black Gold. We hope to see lots of our friends at Joe and Bo's little piece of heaven.

See you in the Badlands,

T-Bone
