SHOOT N SCOOT

August 7, 2018

Spur Roberts and the Bar 3 Range need help with the Shoot N Scoot

The entry fee for this side match is 100 pieces of 38 loaded cowboy rounds. No black powder please. Get with Spur Roberts before the event starts for duty assignments.

When: Wednesday, September 26, 2018

Time: 11:00 a.m.

Where: Stages 2 – 4

We need to borrow 38 caliber Revolvers and 12 ga Shotguns. If you have extra in the safe, bring one and let's knock the dust off and have some fun. We plan to shoot 20 firearms at the appropriate targets (no double taps) while running 180 feet down the boardwalk. Your first firearm will be the Gatling Gun, loaded with 45 LC. We have lots of 45LC left over from last year but if you have an extra box, bring it with you (I think we'll need it). The last will be Gunzilla's 4-barrel Shotgun. Smiling, heckling, and videos/pictures are encouraged at the Bar 3.

See you in the Badlands,

T-Bone and Ellie
