February 2020

Hello, my cowboy/cowgirl friends! We know by now most of you have your year planned and hopefully, Comin' at Cha is part of your fall shooting schedule. We would like to thank each one of you for your support. If you are already signed up for Comin' at Cha, thank you! If it's been a while, welcome back! If you have never been to English, Texas, welcome to our home and the Bar 3 Shooting Range!

It's time for the cattle drive to get started. This year, Nuttin' Graceful and I will be stepping off our horses and watching from the fence. Juan TuMany and Hold 'Em will be the Trail Bosses at this year's Comin' at Cha. I am proud to introduce these two fine young cowboys who have stepped up to be Co-Match Directors. They are RO I & II certified and have been shooting in SASS for over 10 years. I know you will like them as they lead us into the future of Cowboy Action Shooting. It will be the same great match full of shooting, prizes, and entertainment.

Nuttin' and I will still be on the range. We want to have more time laughing and talking to everyone! We're really looking forward to a great time and plenty of fun in the barn with your help. This year, we are putting Karaoke back on the Friday night entertainment so get ready for the best singing you've ever heard in your life from our cowboy and cowgirl friends.

I have attached a tentative schedule of events.

Thanks, and we'll see you on the range,

T-Bone Dooley
