**TREASURE HUNT!!!**

Bring your metal detectors, divining rods, lucky witchin' stick, or other super-duper treasure locating device and join in for the Bar 3 Treasure Hunt at Comin' at Cha!

A band of misfits called the Dooley Gang turned a big haul up north and headed back to the Badlands. The gang was tired of riding hard and the horses' nostrils flared as large as the Texas moon as they rode towards English to settle in. Upon arrival, their bags burst with money and many gold coins hit the ground and were lost in the black land mud.

This year at Comin' at Cha, you're gonna have the opportunity to hunt and find 13 - 24K gold or silver layered Proof coins. Each coin has been in the Texas mud for years and they are all over the campgrounds, as well as, in and out of town, near the lake, and could even be found in a ditch. (No coins were lost in my yard or on top of anything.) Treasures will be found on the ground or possibly as much as 4 inches deep. No treasure will be deeper than that.

The Bar 3 Ranch is located on the old 1832 – 1895 Swanville Church and Schoolhouse property so there is no telling what you can find.

**No Treasure hunting is allowed until 9a.m. on Wednesday morning, Sept. 26, 2018.**

\*You must be a registered shooter, conventioneer or spouse to hunt treasure.  
\*Each gold coin can be traded in for a chance to win firearms on Friday night during the Side Match awards ceremony.

Good luck and we'll see you in the Badlands,  
T-Bone
